Name: SEWER POLICY

Policy: #08-2018-SEWER

Department: Village of Rosalind

Responsibility: Administration

Date: October 11, 2018

Purpose:

The purpose of the policy is to provide guidance to council and administration when there is a sewer back up in the Village of Rosalind.

The following protocol has been adopted by the Village of Rosalind:

RES 121-2018

- Resident/owner will call a plumber. The plumber can determine the length to where the plug is by measuring the length of the snake.
- Plumber can determine if a camera of the lines needs to be done. Cost of camera will be paid by the person of which the sewer blockage is on.
- Village will follow up with having the lines flushed.

Please note the following:

- Trees are not village – act of nature
- Resident/owner needs to contact their insurance company. Insurance company will contact the Village of Rosalind if it is deemed our responsibility.
- Not all clay joints have been replaced. They are replaced when accessed or on an as need basis.

In case of emergency, there will be a phone fan out done by council and administration; the use of the Fire Department “loud speaker”; door to door.
