FOREVER GREEN Project 2025

January 4-H Round-Up

By: Cassie Wenstob

January was a cold month for the Rosalind 4-H Club. Cleavers had an awesome time skating.

The ice was wonderful and they had a very fun time. We will have our Public Speaking event on Sunday February 23rd at 1:00pm at the Rosalind Hall. Everyone is welcome to attend. Coffee, tea, juice, and small snacks provided. Cleavers have chosen to have a separate communications event but have yet to set a date. Foods had to cancel their activity due to the weather and have rescheduled it for later this month. I will tell you more next month.

County of Camrose.....

Is it a coincidence that the month of Love is also the coldest month of the year? It helps to have some positivity during this dark and cold month, and I encourage you to get out of the house and visit friends and neighbours, take vitamin D, or use a sunlight lamp to beat the winter blues. Our small communities have local events, and coffee mornings such as the Kelsey Hall, every Wednesday from 9:30-11am.

You can also register for a free screening of “Before the Plate” at the Bailey Theatre on February 11, 5:30 to 9pm. Presented in part by the Food Artisans of Camrose County, the U OF A and the Alberta Centre for Sustainable Rural Communities. You can get tickets through the U of A or text me at +1 (587) 206-0323 and I can send you the link.

The forever seedling program is now open. You can reach out to ASB to apply to this free program. The seedlings [be planted](#) in an existing native tree stand and not used as a shelter belt. Camrose County is looking for active, outdoor enthusiastic persons looking for summer employment. Applications can [be made](#) at the ASB Office or online. Wishing you a wonderful month,

Deputy Reeve,

Tina Sroka
