We want to extend our deepest gratitude to everyone in the Village of Rosalind, The Rosalind Ag Society and Rosalind ELKS for the incredible love, support and generosity over these last few weeks.

As we navigate the challenges of the NICU and the difficulty of being separated as a family, your kindness has truly lifted us up. From your messages to your prayers and quiet acts of care, every gesture has meant more than we can express.

Thank you for reminding us even in the hardest moments, we are surrounded by a community that cares. We are so grateful to be a part of such a strong and compassionate Village.

With heartfelt thanks,
Mike, Emily, Parker and Baby Mason McTavish

In November everyone got together, and we had weigh-in. Dr. Natasha came and showed us how to give implants and medication to cows. We got to practise implanting into real cow ears she brought from the feedlot. We also got to inject oranges with blue dye using real needles to see the difference between Sub-Q and intermuscular shots.

On November 13, 2025 E. R. Adrian Tobler attended the Bawlf School Awards Ceremony. He proudly presented scholarship awards to Audrey Stang and Izabella Kelland.

Congratulations ladies!

Audrey Stang was also the recipient of the Rosalind Agriculture Society's annual Scholarship.

Congratulations Audrey!

Thank You!

**to Division 3 residents
for your vote of confidence.**

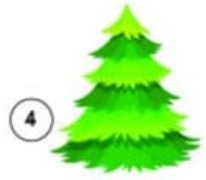

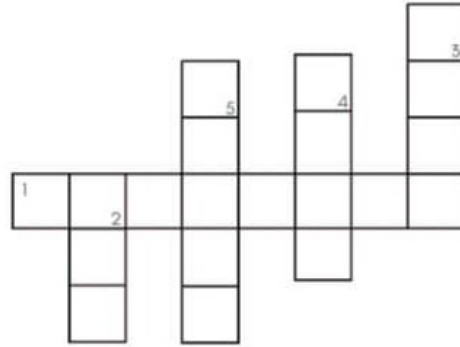

Being newly elected to serve our County is an incredible honour. I am grateful for the trust our community has placed in me, and I'm already hard at work learning, listening and collaborating with council colleagues and Division 3 residents. My goals for this term are simple, but important – to strengthen local services, to ensure Division 3 residents have a strong voice at the County table, and to keep communication open and transparent.

I look forward to working together to make our county an even better place to live, work, and raise a family.

Sincerely,
Grant Bailey

CHRISTMAS CROSSWORD

Camrose County will be looking forward to the new boat launch at Pelican Point. With Funding from Alberta Transportation, Camrose County has been tasked with tendering out the work. We expect this project to be completed later this summer if everything goes well.

With spring on its way, we will start to see road maintenance throughout the county. As always, the fastest way to get attention to a road issue, is by reporting it. You can do that easily on the Camrose County website. Your submission, with photos, will go directly to the person in charge as they will receive an immediate notification on their phone! Even when it is after hours. The second-best way is by calling in your issue directly to public works during open operational hours 780-672-4449.

Council Chambers are receiving an AV system upgrade. As time passes technology changes quickly and it has been well over 10 years since the last upgrades were made. Council has been adamant that costs be kept as low as possible, and we have chosen to stay with the current furniture, reuse the monitors and anything else that we can. We look forward to using a better sound and video system, have the ability to use technology like zoom meetings, and share screens more effectively.

I hope to see you at the Annual Meeting of the Ratepayers on April 23 at 7pm. This is your opportunity to come and speak with the council about any ideas or concerns you have. Come to the main County office Chamber for an interactive evening.

Take care this spring and stay safe,

Councillor Tina Sroka
