Haylee Wenstob

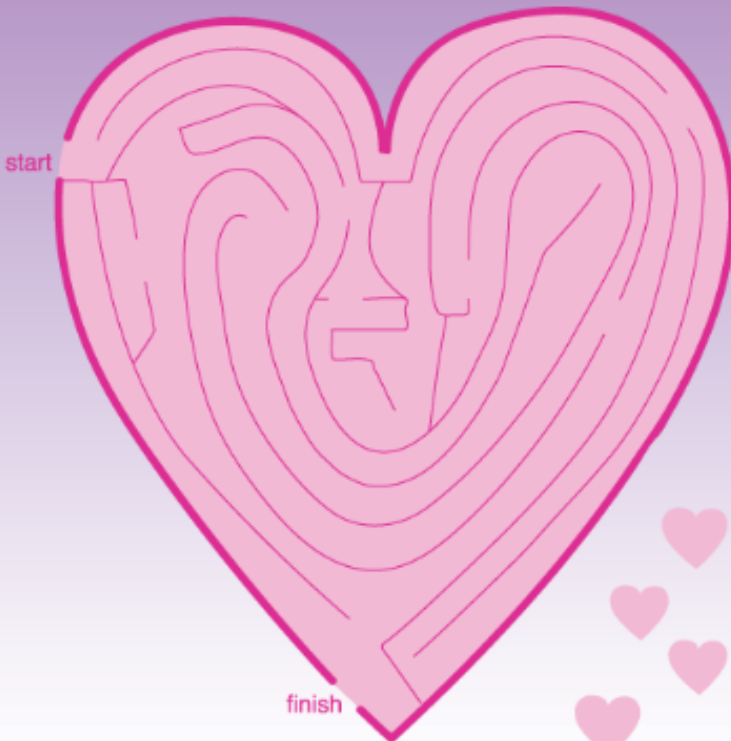

The Vet Science group had an outing to go see Dr. Sam at Revolution Animal Veterinary Services. He demonstrated what kinds of things he does at a routine appointment with a cat. The members found it informative and interesting to learn different things about cats. Thank you to Dr. Sam for having us out to your business and talking with our members!

We all appreciate it very much. Clevers got together and made wax candles. To celebrate Christmas we got together as a club and had a potluck. We then played relay games together. We had lots of fun throwing marshmallows around and putting on frozen tee shirts. Happy New Year

Find your way through
the heart!

Camrose County Division 3 Report

Greetings my fellow ratepayers of Division 3. I have enjoyed my start as a councillor – my first task was orientation for councillors – 2 full days of the do's and don'ts of a councillor according to the Municipal Government Act legislation. Then we started regular county business meetings – working on the budget and monthly reports from department managers. The interim budget was passed on Dec 9, 2025. Final budget will be finalized in late March early April. Emergency management training and the upcoming strategic planning is yet to come.

I invite all residents to Rosalind Agriculture Day on March 11, Camrose County will be presenting at 9 am and I look forward to being part of the presentation.

That's all for now. If you have a concern phone me at 780-608-5630 or email me at gbailey@county.camrose.ab.ca
