What is village clean-up???

We have many newcomers to the village who are probably asking what village cleanup is. This is the day that village residents are asked to donate their time to give our village a spring clean-up. A backhoe, pick-up trucks, and people's hard work are graciously volunteered to pick up garbage, do small jobs in people's yards (ex. Cut-down trees; take big items to the dump). It makes a huge difference in the way the community looks.

If you have any small job that you require assistance with, please drop off your request in the mail slot at the village office.

*This is for Village of Rosalind Residents and Businesses only**
