It would be much appreciated if you have access to a weed eater to weed under the fence as well. Please do not spray under the fence, it kills the grass and only weeds come then.

Hats off to all of our community members who give so generously of their time to maintain the appearance of our cemetery. It is greatly appreciated!!

Any concerns, please contact a committee member. Thanks so much!

Summer Recap from the Fire Department

It has been a busy summer for our department, with plenty of opportunities to serve our community, train together, and strengthen our emergency preparedness.

Over the past few months our crews responded to four structural fires and performed a prescribed burn of the railtracks and a burn pit demonstrating teamwork, professionalism, and dedication working safely and effectively. Father's Day pancake breakfast and a truck pull were a success and we are grateful for the support we receive from the community. Training remained a priority this summer.

Our members toured the Bawlf Grain Elevator to review the site's emergency response plan, discuss incident management strategies, and practice rescue considerations unique to grain handling facilities. Opportunities like these help us stay prepared for specialized emergencies in our response area.

We're also excited to welcome Adam Clarkson as our newest member. We look forward to having him on the team and are excited to see him grow with the department.

A big thank you to all of our members for their commitment, countless volunteer hours, and continued dedication to keeping our community safe. We hope everyone has had a safe and enjoyable summer, and we're looking forward to the months ahead.
